

Volunteer registration form

The Guernsey Arts Commission is always on the lookout for people with a passion for the arts who would like to get involved with some of the diverse projects that we run.

Our main focus for volunteers is on community projects ranging from weekly workshops, sessions at the prison and visits to, for example, Les Genats Estate. We also need help with the delivery of the annual *Art on the Beach* events, school holidays' workshops and working with the elderly.

The more people we have who are willing to work with us the further the community arts programme can stretch and we hope to make it something that can offer unique opportunities to the people of Guernsey whatever their age or situation.

Once you have filled out the form please return it to volunteers@arts.gg or:

Brett Klement, Community Arts Officer,
Guernsey Arts Commission,
Guernsey Information Centre,
St Peter Port
