

Funding Application Form

Applying for Arts Funding

READ ALL INFORMATION CAREFULLY

Before filling out this application form please read the 'Guidance Notes for Arts Funding 2017' carefully, taking particular notice of the requirements for your proposal and the time required for processing your application.

There are three required sections to your application for arts funding from the Guernsey Arts Commission:

1. You must include an Event Proposal about the project that you are asking the Guernsey Arts Commission to support. **We cannot process your application without it.** This proposal (no longer than 350 words) will not only offer you the opportunity to explain your project in further detail but it should also show how your project can develop, benefit and promote the arts in Guernsey. Please see the Guidance Notes for what you should include in your proposal.
2. A Completed Application Form outlining personal information, details on your event/project and your budget. **All pages** must be completed and if any of the questions are NOT relevant to you please write 'N/A' - please do not simply leave them blank.
3. An Event Evaluation Form from the previous event/project you were awarded funding for by the GAC (only applicable if you have applied to the GAC before)

There is a checklist following the declaration on the final page of this form which will remind you of all the information you will need to provide the Guernsey Arts Commission in order for the Funding Sub-Committee to assess your application.

Please return all completed applications to:

Should you have any queries regarding the completion of this form or your proposal then please contact the office by email: info@arts.gg or telephone: (01481) 709747.

Please Note:

Please note that **we do not give financial support to activities that take place less than three months after the date of the assessment meeting** at which your application will be decided. Based on feedback, this means all applicants have a clear lead-in time for both you and us in terms of ways we can support, develop and promote your event. We endeavour to inform applicants of the decision within a week of the meeting with contracts following shortly thereafter.

If applicants are successful there are mandatory conditions set out by the Guernsey Arts Commission which if not adhered to, will affect the payment of the grant/underwrite/sponsorship match. These conditions are laid out in a Contract between applicants and the Guernsey Arts Commission which must be **signed** and acknowledged before any payment can be processed.
